Dear Mr. Leach:

On July 17, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of W. W. Cross, Inc. (W. W. Cross). The purpose of the inspection was to determine W. W. Cross' compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, W. W. Cross was issued Letter of Deficiency No. WMD 02-30 ("LOD"). Based upon a review of W. W. Cross' submittals dated September 27, 2002 and November 5, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

DES is aware that all of W. W. Cross' manufacturing operations have ceased, and that the property is for sale. DES requests that W. W. Cross submit the enclosed Declassification Request form stating that W. W. Cross is no longer a generator of hazardous waste.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
